

USIC Resource Guide - Journals

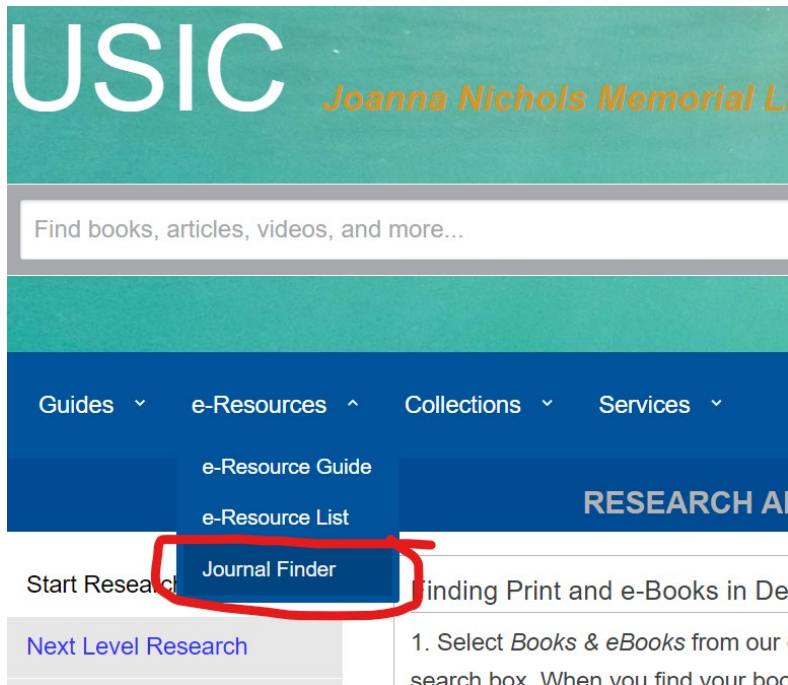

This is a step by step to journals, but please remember! You can always contact us to find an article, newspaper or magazine for you.

In this guide, I'll explain

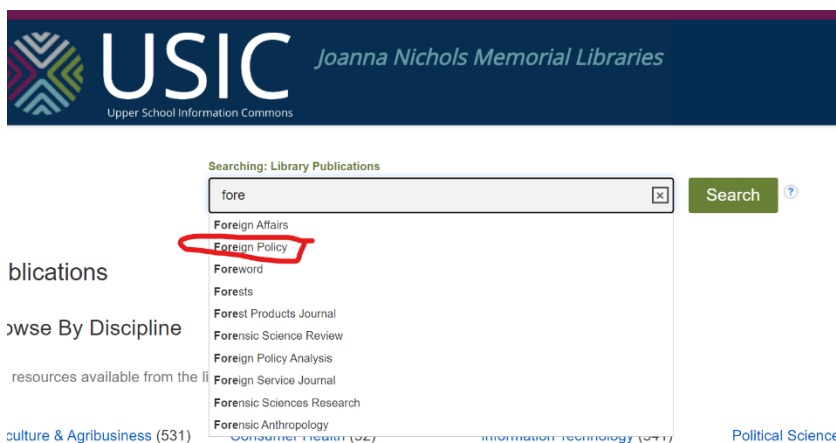

- how to find a particular journal, issue and what options there are with *Journal Finder*
- where else you might find the journal and why there are multiple places to look 🤔

To find out if we have a magazine

1. Go to *Journal Finder* under Services.

2. Start searching your title on the next screen and pick from suggestions. If you cannot find the magazine you want, email us.

USIC Resource Guide - Journals

PressReader, Sora, Flipster

These resources also have journals in full color, but their coverage is only a few years and only [PressReader](#) is searchable by article topic. [Sora](#) and [Flipster](#) do not connect with *Journal Finder* but all their magazine titles are also in our library catalogue. Sora has current issues of the *New Yorker*, *Guardian Weekly*, *Beijing Review*, *Economist Asia*, etc. Flipster has the *Advocate*, the *New Internationalist*, *Mother Jones*, *The Nation* (and currently, a lot of other magazines that we don't pay for – shhhh).

Note: To search inside a magazine on PressReader, use advanced search.

The screenshot shows the 'Advanced Search' interface. At the top, there is a 'Cancel' button on the left and a 'Search' button on the right. Below the title bar, there is a 'FIND RESULTS' section with a 'Keyword Options' link. The search bar contains the text 'liberalism' with a magnifying glass icon on the left and a close 'X' icon on the right. Below the search bar, there are several filter categories: 'Languages' with 'All Languages' and a right arrow; 'Publications' with 'Foreign Affairs' and a right arrow; 'Author' with 'Enter an author'; and 'Date' with 'Anytime' and a right arrow.

But...again, if you can't find a journal, just email us! wilej@tas.edu.tw or leec@tas.edu.

Newspapers are findable most easily by looking at the resources listed here: [Current Events](#).

Wondering about our default search on our website? I'm working on a guide for students which will answer many questions, I hope!
